December already! It has been a busy year with many projects being completed. These projects could not have happened without the support of the board approving the funds and the many volunteers it took to complete them. Looking into 2019 we will continue to make and plan maintenance projects. Tom Rollo will be putting together another survey to be sent out to the membership. If you have any items you would like to be specified on the survey please let me or Tom know.

Going over the projects and capital purchases we completed this year there has been quite a few. As you will see we have not been idle this year. Following is a list of what the board, chairman, and volunteers accomplished in 2018. I want to say Thank You to all who volunteered and/or headed up these projects on a job well done!

- Gator and Lawn mower purchase
- New signage at the entrance of the club
- 25, 50, 100, and 200-yard ranges being worked on (25-yard re-build has been completed)
- Dirt parking lots and road to 200-yard range
- Painting of the outside of the club house
- New roofs on the shotgun houses
- New shotgun counter system
- In Process - Club house inside wall (by the stage) to be redone in pine

I would also like to take a moment and thank a group of people who do not get acknowledged for all they do and that is the Ground committee. They put in a lot of time and hard work to make our club grounds look good and well maintained. Thank you for all you do!

Archery's 3D shoot for Toy-4-Tots will be on Sunday December 2nd. Even if you do not shoot archery all are welcome to contribute to this great organization. Donate a toy and/or cash contribution are always welcome. Please give what you can, this is an excellent organization that help ensure Christmas for needy kids and families.

Don't forget to come out and vote for your board members! You can vote on Sunday Dec 2nd or Monday Dec 3rd before the general membership meeting starts.

Wishing you a Happy Holiday Season!

Friends of NRA

WWCCA Friends of NRA will have a table at Outdoorama alongside the WWCCA Club booth. We plan on selling raffle tickets for a soon to be announced gun. (If you were a part of the committee, you'd be a part of that selection decision!) Outdoorama starts on Thursday, February 28 thru Sunday, March 3. If you can't help with set-up or during the show, at least try to stop by the WWCCA booths and encourage your fellow club members as they present our club to the public!

Mark your calendars! The date is set for the 2019 Friends of NRA Event! May 3, 2019. As in the past, the Event will be the first Friday in May. Articles in the WWCCA Window will help keep you current on committee activities. Last year alone, Friends of NRA events across the country raised over \$65 million dollars for The NRA Foundation. The NRA Foundation has been able to provide critical funding to firearm programs on the local, state, and national levels. WWCCA has been a recipient of multiple Grants for many years from this program. The Grant window is still open for a few more days. The application period for the State of Michigan opened in early August. Completed Grant requests must be submitted by December 5, 2018. Go to nrafoundation.org for more information on Grant guidelines, frequently asked questions, and forms. Let's use some of these funds generated by your WWCCA FNRA discipline to improve our club!

Your WWCCA FNRA Committee is always looking for fresh faces and new ideas. If you have something to share, or suggestions on how we could improve, please come to our next meeting. The December meeting will be Tuesday, December 11 at 7pm. The meetings are held in the homes of various committee members. Many committee members show up at 6pm with sharable snacks and socialize before the meeting starts. Committee members earn work hours. Call or email me, or Bob Haviland, if you would like us to make room for you.

The December WWCCA Membership Meeting Raffle from your FNRA committee will be a Springfield XD-S, 3.3" Single Stack 9mm. Tickets are \$10 each and will only be sold the night of the meeting. You must be present to win.

Hope to see you at the next meeting!

Work Hours

Looking for a couple of work hours. We will be taking the Christmas decoration down at the club on Saturday, December 29th at noon.

Black Powder

The close of the fall trapping season is drawing nigh. Won't be long before the western mountain man and his eastern longhunter cousin seek shelter for the cold winter months. Taking their lessons from nature they have learned the three ways to deal with winter in the mountains: hibernate, migrate or adapt. Funny how much you can learn by watching what the critters do. Making a winter shelter, like the bear, is a good idea but living in the ground is not the first choice and beside unlike the bear the hunter cannot "sleep" all winter. The hunters will move down the mountain just like the deer and elk do. And like them they will look for those places that shelter you from the winter's worst. But most of all they will adapt to the changes forced upon them by the cold and snow. Those animals that stay will grow their winter coats. The men in the mountains will do so by wearing the heavy winter buffalo robe over their lighter buckskins.

Unlike those of us in the 21st century they did not give up as many creature comforts when they remained in the mountains. They still lived in cabins or teepees, heated with wood, and cooked in cast iron or on a spit, over the fire and they still made much of what they wore or used out of the skins or parts of animals. Water still had to be brought to camp and often still required one to break the ice to obtain it.

Outdoor activity would be limited to the necessities one of which would be to hunt the animals they had followed down the mountain. We mover much of our activities indoors as well. We continue to build black powder rifles, pistols, and knives in the blacksmith shop on Thursday nights. Winter is also the time to make the repairs required to our gear and to make a garment of two.

Naturally the need to compete is still running through our veins so we still get together to shoot. The blackpowder walk through will be December 9 at 10:00 am. If you come please speak quietly as some of us might be a little rough since the Blackpowder Christmas party was held in the clubhouse the night before (December 8) starting at 6:00 pm. Bring a blackpowder gift to put down and you will get to pick one up. Most everyone goes home with something new for their hobby.

For more information about these events, blackpowder in general or you just want to chat call the booshway Greg Baack whose number is in the listings. Booshway is taken from a French term and it denoted the person in charge. Leonard Darnell will be so happy I used the politically correct term of person as opposed to the man.

Those of us who live history want to take the time to look at the present and wish you a Merry Christmas! (I'm not that politically correct Leonard) and a Happy New Year!

In the shadow of Scribe who we still miss dearly.

Archery News

Christmas is almost here! If your looking to take a stroll through the woods please check the map on south side of the club house to see if anyone is out there hunting. At last count our hunters have bagged two bucks, not bad.

The indoor winter league is going to start January 3rd at 6pm in the club house. We will shoot every week on Thursdays till the end of march.

The winter outdoor league is going and will shoot again December 9th on the stand up range from 9am till 1pm.. We shoot once a month for 5 months usually on the second Sunday of the month, come out and shoot.

At this time of year we always have our Toys for Tots drive and 3D shoot. December 2nd is the shoot. Bring a toy and shoot free. The collection box for cash donations is on the display case (next to tv). The toy collection boxes are out as well. Everyone please give what you can.

The last thing on my mind is Junior archery. Sign up starts Sunday December 2nd the same day as the Toys for Tots 3D shoot. This program will shoot every Tuesday at 6pm in the club house till the end of march.

To close make sure you come out to vote for our club Board members.

TOYS FOR TOTS TEDDY BEAR RAFFLE: We will be selling raffle tickets on Sunday, December 2nd and at the Membership Meeting Monday, December 3rd for a teddy bear made and donated by Linda Piazza with all proceeds going to Toys For Tots. Tickets will be \$1 each or 6 for \$5.

Cowboy Action Shooting

The cowboys and cowgirls of the Johnson Creek Regulators are hanging up their spurs, oiling up their leather and cleaning their rifles, pistol and shotguns as the 2018 season at WWCCA comes to a close.

It was one of our tougher season with rain or the threat of rain for most of our matches. In fact I have been asked to change my cowboy alias from Rainmaker Ray to something a little bit more sunny.

Even with all the rain we did manage to get in six of our seven matches. It took a team effort to pull it off. Cowboys wrote new stages, set-ups were well supported with WWCCA members coming out to help, As we launched a new scoring program, Deadwood Denise (Denise Van), Shakey Puddin (Debbie Hanka) handled office setup and registration. Honest Abe (Ronie Abrahamian) took on tractor driving for all the setups and teardowns. Overall the cowboys, cowgirls and club members made it a fun season.

We held our end of year banquet on November 14th in the clubhouse where we recognized not only the top shooters but the those that made it possible. Taking home the honors for the 2018 season were:

Snuffy Dave Edwards	Silver Senior	164.28
Wolverine Regulator	Wrangler	175.57
Panhead Pete	Senior	205.52
Sarge	Senior Gun Fighter	209.18
Three Deuce Tom	Senior	242.42

A reminder, election time for club officers and board members is Sunday, December 2nd from noon to 5pm and Monday, December 3rd from 6:30pm until the meeting starts. Bring your membership card and vote for the people that will represent you in the coming year.

To all that made the season fun and successful – thank you. I hope you all have a great Thanksgiving and Merry Christmas with family and friends.

Happy Trails

Rainmaker Ray (Hanka)

I want to sincerely thank Karen Harris for her dedication and hard work as co-chair of the Shotgun Trap League. Karen, also an NRA Pistol and Shotgun Instructor manages the league scores along with assisting with the NRA Grant and many other activities. Karen will continue again as co-chair for 2019.

I am very pleased to announce that **Cindy Cook** has stepped forward as Co-Chair for Handgun Training. Cindy has already been volunteering to help me clean and set up the 25 yard range along with registration in the past year. I sincerely appreciate the help from both co-chairs and the other women that step up to assist with this great program.

The Schedule of Events for 2019 will be post posted in the February Club Window after it's been approved by the Board of Directors.

The NRA Grant Application was submitted on Sunday 10-28-18. We are very grateful for the support and recognition from the NRA Foundation. We hope that next year we will be blessed with safety equipment and ammunition to help continue our program. The NRA will be presenting the news article about our five women NRA Instructors in the NRA Traditions magazine in the December issue. You will be able to view the article on line thru the NRA website.

I would also like to thank **Frank Sinagra, William J. Arcy, Wayne James** and **Rick Bacon** for their continued support and training at the handgun classes. All the women sincerely appreciate your help.

We all had a terrific time and we encourage all the women at the club and their friends and family to join us in 2019. We provide private handgun and shotgun training for those who would like to learn the sport. We have five NRA women instructors who are available for scheduling private lessons.

If you are interested in becoming an NRA pistol or shotgun instructor, please contact Dianne Salata for additional information.

Doors open at 4:30 p.m. and dinner at 5:00 p.m. After dinner Santa will hand out gifts to the kids.
